Feature-Rich Web Site Presents Blue Monster Products

Mentor, OH - A new web site designed to provide plumbing, heating and cooling contractors and supply houses with easy access to information on Blue Monster products is now available at www.BlueMonsterProducts.com.

The new website provides one-click access to a complete selection of tools used by plumbing, heating and cooling contractors. Blue Monster products include professional-

grade brushes, abrasives, PTFE sealants and specialty tools available to contractors through P/H/C supply houses. Additional features of the new website include Blue Monster specialty apparel and Monster Tales, an area where Blue Monster stories, photos and videos can be shared.

Blue Monster products are offered exclusively by The Mill-Rose Company, the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A. For further information visit www.BlueMonsterProducts.com.
