FOR IMMEDIATE RELEASE **June 8, 2011**

New Blue Monster™ Stay-Soft Thread Sealant Formulated for Fire Protection

Mentor, OH – Contractors will appreciate the thread-sealing ability of new Blue Monster™ Stay-Soft, a PTFE-enriched pipe thread sealant specially formulated for the fire protection industry. Blue Monster™ Stay-Soft is chemically compatible for use with FlowGuard Gold®, BlazeMaster®, and Corzan® pipe and fittings. Stay-Soft does not harden and allows for pre-fab application to threads weeks before system assembly and pressurization.

Blue Monster Stay-Soft is non-seizing and allows for easy disassembly of any threaded connection years after assembly. Stay-Soft is recommended for on-site or assembly line work. It is grit-free, lead-free, non-toxic, adheres to oily threads and

provides for easy clean up. Blue Monster Stay-Soft is suitable for use on systems carrying acids, dilute, air, aliphatic solvents, alkalis, ammonia, glycol, LP gases, natural gas, refrigeration gases, steam and water

Blue Monster Stay-Soft is available at leading plumbing wholesalers from Clean-Fit Products, a division of The Mill-Rose Company, the world's leading supplier of PTFE thread sealants and largest manufacturer of twisted-in-wire brushes in the U.S.A. For further information contact Clean-Fit Products, 7310 Corporate Blvd., Mentor, Ohio 44060. Telephone 1-800-321-3598, fax 1-440-255-1072, e-mail info@cleanfit.com or visit the company's web site at www.cleanfit.com.
